

PRIVACY-/COOKIE POLICY

Introduction

DS Energy delivers savings and green conversion through energy optimizations.

When you visit our website, information about you is collected that is used to customize and improve our content and to increase the value of the ads displayed on the page. If you do not want us to collect information, you should delete your cookies and avoid further use of the site.

We have a clear policy to treat your information properly and responsibly, respecting your privacy and in compliance with the legislation in this matter. We would like to provide full and complete information about our use of cookies.

Cookies

The website uses cookies, which is a text file that is stored on your computer, mobile or similarly for the purpose of recognizing it, remembering settings, performing statistics, and targeting ads. Cookies cannot contain malicious code such as virus.

It is possible to delete or block cookies. If you delete or block cookies, ads may become less relevant to you and occur more frequently. In addition, you may risk that the site is not functioning properly and that there are content you cannot access.

The website contains third-party cookies:

Personal information

In general

Personal information is any kind of information that may be attributed to you to some extent. When using our website, we collect and process a variety of such information. This happens for example by normal access content if you sign up for our newsletter, participate in competitions or surveys, register yourself as a user or subscriber, otherwise use of services or make purchases through the website.

We typically collect and process the following types of information: A unique ID and technical information about your computer, tablet or mobile phone, your IP address, geographic location, and which pages you click (interests). To the extent that you explicitly consent to this and even enter the information, you will also be treated: Name, phone number, email, address and payment information. This will typically be associated with the creation of login or purchase.

Safety

We have taken technical and organizational measures against the fact that your information is accidentally or illegally deleted, published, lost, impaired or comes to the knowledge of a person, misused or otherwise treated in violation of the law.

Purpose

The information is used to identify you as a user and show you the ads that are most likely to be relevant to you, to register your purchases and payments, and to provide the services you have requested, such as. to send a newsletter. In addition, we use the information to optimize our services and content.

Period of storage

The information is kept for the time allowed by law and we delete them when they are no longer necessary. The period depends on the nature of the information and the background for storage. Therefore, it is not possible to specify a general timeframe for when information is deleted.

Disclosure of information

Data about your use of the website, which ads you receive and, if any, click on, geographic location, gender and age segment, etc. be disclosed to third parties to the extent that this information is known. You can see which third parties are in the "Cookies" section above. The information is used to target advertising.

In addition, we use several third parties to store and process data. These only deal with information on our behalf and may not be used for their own purposes.

Disclosure of personal information such as name and e-mail, etc. will only happen if you consent to it. We only use computer users in the EU or in countries that can provide your information with adequate protection.

Insights and complaints

You are entitled to know what personal information we are processing about you. You may also object to the use of information at any time. You may also revoke your consent to processing information about you. If the information processed about you is incorrect, you are entitled to correct or delete. Please contact: mail@dsenergy.dk. If you would like to complain about our processing of your personal information, you also have the opportunity to contact the Data Inspectorate.
